Who are our Lecturers:

- We offer an intensive and in-depth course in line with international standards.
- You will be continuously supported throughout your Pilates journey by our very qualified team of Pilates professionals. However, success will depend on your commitment and self-study.
- Our Teacher Trainers/Lecturers have been exposed to numerous different styles of Pilates and have many years of training and education experience.
- Our Teacher Trainers/Lecturers have had exposure both nationally and internationally.
- Our mission is to mentor you towards a successful and rewarding Pilates career; and
- We are here to teach you how to teach, not just what to teach.

What makes us different:

- The lecturers of the courses have been exposed to numerous styles of Pilates and have many years of training and education experience (both nationally and internationally).
- Our courses are in-depth and intensive and offer an integration of anatomy, injuries and pathologies with recommendations and contra-indications, and exercise goals to ensure an understanding of the work.
- We offer a very comprehensive compilation of exercises, including a full exercise video library of exercises in our manual.
- We understand that people lead busy lives, therefore it is not always possible to do all the required hours at OUR studio so you can do your hours at OTHER pre-approved studios.
- Students will have access to our studio for practise and observation hours.
- At our studio, you will be exposed to the integration of a variety of small equipment like: Ballet Barre, TRX, Bosus, Kettlebells, Weights, Balls – big and small, Thera-bands, Foam Rollers, Air Cushions, Arc Barrels, Step Barrels, and Toning Bars, Rotation Discs, to name but a few.

Additional Practical hours/ Mentorship Post lectures:

- 2 Additional Practical Tutorial Sessions of 2 hours each on dates to be determined. *NB* There is 1 Practical Tutorial Session for the Intensive Reformer Course.
- 2 Additional Practical Teaching of Client classes under supervision of a Senior Pilates Instructor which represents a mini exam for final exam preparation.

Personal Practice Hours:

Students can start accumulating personal practice hours once the course has started. Accepted forms of personal practice hours include practicing on your own either at home OR at our studio at no additional cost, OR at another studio subject to approval. Practice hours done at another studio will not be acknowledged until approval has been given.

We offer videos of all exercises taught in our manual.

Observation Hours:

Observation hours can be started and counted once the course has started. Students can schedule observation hours to watch online at our studio OR in our studio OR at a studio subject to approval. Students can only claim observation once approval has been granted. Our studio is available at no extra cost.

Teaching Hours:

You can practice teaching by instructing a friend, family member or apprentice instructor at home OR at our studio OR at another studio. Our studio is also available at no additional charge.

Refund Policy

- No refunds are given if a student misses any module/s; lectures; or fails to complete any practical hours, within the stipulated course completion period.
- No refunds are given should a student fail to attend or complete the course following acceptance, payment of the deposit or once-off cost payment, or any other amount paid towards the course.

If you are a Discovery Vitality member, you can earn points for every workout.
